Club News

- Welcome back to everyone after our Summer break, the start of a new season is upon us and it's time to get back to some hard (but fun) training.
- Thanks to everyone who helped put together our recent Summer Camp at St. Andrews, this proved once again to be a great experience for the swimmers who attended. The club is hoping to organise an overseas camp next year, details to follow in due course.
- The club was once again invited to take part in the Rutherglen Challenge at Larkhall pool and despite a few late call-offs it proved a very successful meet with plenty of pb's for the team which is great to see this early in the season.
- Our own Centenary Gala is being held on the 3rd September this year, we will be competing against Rutherglen, Dunoon and Stranraer. Swimmers who have been selected for the team have been emailed and a team-sheet is also posted on the club notice board.
- Can all swimmers attending the Centenary Gala bring along some food for our famous after gala buffet - filled rolls, sandwiches, home baking etc. We also need volunteers to help with timekeeping, catering etc. during the gala - if you can help in any way please add your name to the sheet on the club notice board.
- Unfortunately the club is going to have to increase the charge whenever it puts on a bus to a meet, as of September the cost to travel on the bus will be £1 for swimmers and £5 for anybody else travelling on the bus.

Fundraising

- The club is still looking for a volunteer to take up the position of fundraising convenor, if you would be interested in this position please speak with a member of the committee. This position is becoming critical as we look to organise an overseas camp next year.
- A raffle will be held to raise some much needed funds for the club during the Centenary Gala, all donations (alcoholic and non-alcoholic) are welcome.

Swim Manager

- There have been several instances in the past couple of months with monthly fee not being paid due to bank cards on file with Swim Manager expiring. Anytime this happens with a payment for your account Swim Manager will automatically send you an email, it is imperative that you resolve this issue immediately if you receive this email. There is a chance your child's place within the club could be revoked if payments are not kept up to date.
